Annual report 2025

What we did in 2025, what it cost and what comes next.

Thank you to everyone who came on a Saturday morning, tested water with a class, or baked for the picnic. In 2025 we looked after the Fulda together with neighbours, schools and local clubs.

14
clean-ups along the Fulda

86
volunteers took part

1,240 kg
of litter collected

320
trees and shrubs planted

Highlights

Our spring clean-up and picnic was the biggest day of the year. Three classes tested the water every month, and we planted native shrubs on the bare stretch below the footbridge.

Income and expenses 2025

Income	EUR
Donations	9,800
Membership fees	4,200
Town grant	3,000
Total income	**17,000**

Expenses	EUR
Tools, gloves and bags	3,600
Water test kits for schools	2,400
Trees and shrubs	5,200
Insurance and running costs	2,300
Total expenses	**13,500**

Surplus of 3,500 EUR (17,000 - 13,500) goes to next year's planting.

Outlook for 2026

We plan 16 clean-ups, a second school partnership and a new planting along the east bank. We also want to train five volunteers to lead groups, so that more people can join safely.
